Firm Foundations worksheet

Following Jesus' teaching, Matthew 7:24-27

Jesus said: *Anyone who listens to my teaching and follows it is wise, like a person who builds a house on solid rock. Though the rain comes in torrents and the flood waters rise and the winds beat against that house, it won't collapse because it is built on bedrock. But anyone who hears my teaching and doesn't obey it is foolish, like a person who builds a house on sand. When the rains and floods come and the winds beat against that house, it will collapse with a mighty crash.*

1. What are some of the storms of life?

2. Have you ever felt like the storms of life are crashing around you?
If so, do you feel like you can stand firm on that you might fall?

3. The story from today says that, like building a house on firm foundations, we should build our lives on the firm foundation of Jesus' teachings.

What are some of the things we can build into our life to help us stand firm? Colour in the ones you would find helpful and write some more of your own?
