### Experiment

For the 'gentleness' experiment you will need to be outside and ask a grown up's permission. Take either a bottle of bubbles, a bubble wand, some bubble liquid or a bubble making kit, gently blow or make some bubbles and enjoy!

If you would like to make your own bubble mix, gently stir 4 tablespoons of water with 1 tablespoon of concentrated washing up liquid and 2 tablespoons of sugar. Use with a bubble wand or refill your small bubble bottles.

We would love to hear about your experiment, so please email us at [assemblies@lifeandsoul.org.uk](mailto:assemblies@lifeandsoul.org.uk) you could even send us a short video.
